

POMEROY PARTNERS

for Healthy Families

2025 - 2027 Strategic Plan

Prioritized Goals

Why?

How?

1

Organize our community

Collaboration & awareness is key to our success

- Growing the Pomeroy Partners Coalition
- Getting involved with other organizations
- Training our members & other organizations
- Have a presence at community events
- Coalition Facebook page & website

2

Address availability of substances

Youth have too much access to drugs & alcohol

- Address retail product placement for alcohol & vapes
- Retail sales compliance checks
- Enforce underage drinking laws
- Drug Take Back days

3

Promote substance-free attitudes

Kids learn to drink & use substances from their parents

- Project Sicker Shock
- Parent & adult media campaigns
- Red Ribbon Week
- LifeSkills Program in grades 6 - 8*
- Guiding Good Choices parent series*

4

Help kids feel bonded to school

More opportunities for pro-social involvement

- Developing a vibrant youth coalition - the Pirate Partners
- Promoting events like Kindness Week, Fugitive, paint nights, & other pro social activities

5

Increase supportive interventions

Keep on top of best practices for substance use discipline

- Increase early interventions with the Student Assistance Professional*
- Continually improving school policy
- Staying trauma informed in all we do

* Program is proven to reduce youth substance use & improve mental health
